(Grade 5) 'A very good grammar book for all the students. No hesitation in recommending this book' (Grade 8). 'It has comprehensive explanation of language and this is best grammar book' (Grade 5). 'It explains all the structural grammar aspect as well as verb tenses, so useful for all the students who study English' (Grade 4). 'A comprehensive book with interesting topics' (Grade 8). 'I recommend this book to all my students. I have a very competent teacher of English who uses this book to teach his students' (Grade 6). 'The author has introduced many topics which will help the student to write better in English' (Grade 4). 'The explanations are simple and easy to understand' (Grade 4). 'I recommend this book to all students and also to my teacher, as he uses this book for teaching the students' (Grade 7). The problem with the book is that the author keeps speaking as if he/she is the teacher. He/she keep giving examples, keep checking homework and give many quizzes to help the students while writing.. Book has many examples, mostly in the form of poems written by the author, of English usage. But the example was written in a way which adds to learning and help in understanding. The book itself was very useful. It had many topics as well as the study material, which I can recommend to any student preparing to write IELTS. This book has helped the students in my class in learning better English. Thank you for a good book, which helps to understand complex English better. The book contains many topics, from basic grammar to writing. I would like to express my gratitude to the author for writing such a good book. I found this book quite useful while preparing for IELTS. This is one of the best grammar books for English language. It has a clear explanation of most difficult concepts. It has better examples and examples. This book is
